

# The Choice is Clear. Digi-Clear®

Your window of opportunity is wide open with Digi-Clear® window envelopes.

- Delivers unmatched quality for short runs in-house and on demand on all digital four-color laser/toner based equipment, adding more to your bottom line.
- Window film performs under high temperatures. Stays clear without shrinkage, wrinkling or distortion.
- Readability and scanability of addresses and barcodes is better than any other existing window film in the marketplace.
- Our recently expanded line is now available in more sizes and styles. Digi-Clear® can also be custom-manufactured to meet any application.
