

# Peel. View. Profit.

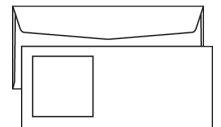

Want you and your customers to get better direct mail response rates and profitable results? Deliver more with Peel 'n View® envelopes:

- **Engage.** Features a self-stick, easily removable reminder note and hidden “surprise” window for personalized messages and promotional information that piques recipient interest.
- **Save.** These effective note-and-window combination envelopes do not require additional postage costs.
- **Process.** Peel 'n View® envelopes are ruggedly designed for inserting and mailing equipment: the “peel” perforation is tougher before yet easily opens after processing through both processes, inserting and mailing.
- **Promote.** Save even more on postage, as these envelopes are ideal for the USPS Tactile, Sensory & Interactive Mailpiece Engagement Promotion (March – August).
