

## It pays to have dependable financial envelope products...

When it comes to finances, we offer a large variety of stock and printed products for your financial use.

- **Drive-In / Banking Envelopes** are durably designed to keep contents inside with an ungummed flap or a convenient Pres-Stik® self-sealing latex flap.
- **FDIC Statement Envelopes** have security-tinted patterns to keep sensitive information confidentially inside. Add regular gum, Pres-Stik® self-sealing latex flap, or a pressure sensitive Kwik-Tak® seal that's ideal for machine or hand insertion.
- **Banker Flap and Wallet Envelopes** offer a deep flap for transporting and containing bulky correspondence/contents.
- **Currency Gift and Credit Card Protection Envelopes** are perfect for holiday offerings and banking giveaways. Custom printing can enhance these by adding personalized messages and exclusive designs to prevent personal identification theft. Both are great for the holidays or any special event.
