Collection/Remittance

Collection/remittance envelopes are primarily used for charities, donations, or order forms. The large flap allows for printing on the inside where the user can fill in their information or details - which is hidden when the envelope is sealed.

Dual Purpose Mailer

Similar to collection/remittance envelopes, Dual Purpose envelopes are primarily used for charities, donations, or order forms. The large flap allows for printing on the inside so the user can fill in their information or details. The envelope can be sealed and sent to the recipient, who can then tear off the flap, fill in their information, and put it back in the same envelope to return to the sender.
