Showcase Window Envelopes

Open a wider window of opportunity for your customers while narrowing down your production and inventory costs with Showcase Window Envelopes:

- Ideal for any size mailing, or for housing collateral and other promotional materials.
- Manufactured with a two-side-seams-under construction, an oversized poly window, and a traditional remoistening seal in Open Side Booklet and Open End Policy styles.
- Highlights the envelope's contents to pique interest and improve response rates. Also allows for variable data printing and personalized messaging.
- Saves on additional envelope printing—the indicia, name, address, etc. are all printed on the insert instead.
- Flood coating allows envelope's color to coincide with the inside contents and attract more attention in the mail stream.
- Cost effective: printed on white wove stock for added savings and reduces the hassle of a costly colored paper inventory.
- Black and white available as a stock product. Other colors available in the 6 X 9 size, with a minimum order quantity of 100,000.
