Showcase Window Envelopes

Reach more customers effectively with flood coated and stock Showcase Window Envelopes:

- Ideal for any size mailing, or for housing collateral and other promotional materials.
- Full-view window highlights the envelope's contents to pique interest and improve response rates. Also allows for variable data printing and personalized messaging.
- Saves on additional envelope printing—the indicia, name, address, etc. are all printed on the insert instead.
- Flood coated color matches inside contents and attracts more attention in the mail stream.
- Cost effective: printed on white wove stock instead of costly colored paper.
- Black and white available as a stock product. Other colors available in the 6 X 9 size, with a minimum order quantity of 100,000.
