Semi-Gloss Paper - Removable Adhesive White semi-gloss paper with removable adhesive (Will not cleanly remove from all surfaces - please verify use with our Customer Care Team)	Identifier labels, temporary labels	150° -40°	Not meant for water	Bath & Body, Promotional

#### **Custom Die-Cutting Options**

**Custom Conventional Dies:** There are many styles of dies available to manufacture labels depending on how they will be used and applied. Dies can be tooled to create styles such as square corners, round corners, circles, bursts, ovals, special shapes, individual sheets, etc.

**Laser Die-Cutting:** Laser die-cutting technology means no die or hard tooling necessary and is a great option for low volume runs. With laser die-cutting, we can reproduce custom shapes and unique die-cuts easily, quickly, and accurately without purchasing a costly die. By using the laser to cut in segments, the length is virtually unlimited.

#### **Election Promotional & Mailing Products**

For promotional materials that standout, explore our offerings of direct mailing products and other materials that are perfect for recipient engagement.

- Peel 'n View®, Tear-ific®, and Digi-M™ Envelopes can be used as direct mail pieces for candidates.
- Door Hangers, Window Clings, and Bumper Stickers help build awareness.
- Absentee Ballot Envelopes that fit your county or state requirements.
- Stock Laser Label Sheets are available for in-house printing or variable data mailing campaigns.
