

STANDARD TINTS

Tints are printed on the inside of envelopes to help hide or distort whatever is inside. Below are examples of some common tints.

Wesco®

Our most popular tint, the Wesco pattern has a high opacity that provides complete protection against viewing an envelope's contents.

FDIC #1

FDIC #2

FDIC Tints

Designed for member banks, this tint provides a message of security that a depositor's savings are insured. Out standard FDIC tints are shown here.
