

# Good-bye broken discs. Hello Value. eKEY™ Mailers

With traditional packaging, as much as 25% of your multimedia discs can break *before* they reach your target audience.

Let your marketing dollars deliver value instead of damaged goods with eKEY™ Mailers:

- The patented design minimizes or eliminates damage to the disc during processing.
- Tested and approved by USPS for automation letter processing.
- It's safe, efficient way to mail CDs or DVDs at automation letter rates. All eKEY™ mailers ship at First Class or Standard letter rates up to 3.0 ounces.

Choose from more than 21 USPS-approved options, in addition to our 4 stock items:
